Be Represented

CLSA advocates for land surveyors at the local, state, and national levels. Your membership helps protect professional standards, influence legislation, and ensure the surveying profession has a strong, unified voice.

Keep Learning

Stay current and confident with access to educational conferences, webinars, seminars, and workshops designed to support both personal growth and professional licensure.

Build Meaningful Connections

CLSA offers a welcoming community through local chapters and statewide events. Connect with peers who understand your work, share your challenges, and value collaboration and mentorship.

Support the Future

Your involvement helps fund scholarships and educational programs, supporting students and strengthening the next generation of land surveyors.

Be Part of the Community

Grow your career. Strengthen your profession. Make lasting connections.

About CLSA

The California Land Surveyors Association was founded in 1966 to advance the interests of the profession of Land Surveying, to maintain the highest possible standards of professional ethics and practice, to encourage uniformity of practices and procedures, and foster public faith in and understanding of Land Surveyors and their work.

CLSA is the only organization in the state solely dedicated to the advancement of land surveying. CLSA represents all Land Surveyors, including employees or proprietors, in the public and private sector. CLSA provides the necessary forum to improve and enhance the survey community. CLSA membership is your voice for the future.
